AYER'S CHERRY

PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855.
DR. J. C. ATER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A.B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. SPRINGFIELD, MISS. Feb. 7, 1856.
BROTHER ATER: I will cheerfully certify, your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE Foo MONTENER I. Writer 2d Lee 1856.

AMOS LEE, Esq., MONTEREY, IA., writes, 3d Jan., 1856:
"I had a tedious Influenza, which confined me in doors
six weeks; took many medicines without relief; finally
tried your Pectoral by the advice of our clergyman. The
first dose relieved the soreness in my throat and lungs;
less than one half the bottle made me completely well.
Your medicines are the cheapest as well as the best we
can buy, and we esteem you, Doetor, and your remedies,
as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

West Manciester, Pa., Feb. 4, 1856.

Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarmaling symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant. A. A. RAMSEY, M. D., Albion, Mornor Co., lowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most con vincing proof of the virtues of this remedy is found in its

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry

no human aid cau reach; but even to those the Cherry Pectoral affords relief and comfort.

Asron House, New York City, March 5, 1856.
Doctor Ayer, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my, wife. She had been five months laboring under the dangerous symptoms of Consumption. from which no aid we could procure gave her much rellef. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard. Yours with gratitude and regard, ORLANDO SHELBY, OF SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHEREY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues. — Philadelphia Ledger.

Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. Their penetrating properties stimulate the vital activities of the body. remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humbers which breed and grow distemper, stimulate sluggish or disor-dered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not sub-stantiated by men of such exalted position and character as to forbid the suspicion of untruth. The Bill for the Encouragement of the Fine Arts.

The Know Nothing editors, and the Know Nothing candidate for Clerk of the Court of Ap-Published Tuesdays, Thursdays and Saturdays peals, have, made different statements in regard to this bill, all of which are false. They first stated that it was enrolled by the clerks of the House S. 1. M. MAJOR & COMPANY. of Representatives. When this falsehood was refuted, they stated it was enrolled in the House of Representatives, and if not by the clerks, with their knowledge and consent. There is no more ssertions were made at random, and for political effect. There never was a shadow of a foundation upon which to make the statement.

We now state- and state it advisedly-that the bill was not enrolled by the clerks of the House of Reps.; nor was it done with their knowledge or consent. It was not enrolled by any officer or member of the House of Representatives, the assertion of Know Nothing editors and candidates to the contrary notwithst anding.

We shall see whether the Hon. (!) GEORGE R. McKEE will make the amende honorable, or persist in retailing this vile slander. We predict that he will assert it. A man who would make such in it after its falsity was clearly established.

Verily, there is but one Know Nothing party, and the Rix Rax is its candidate.

SUCII as Indigestion, Acidity of the Stomach, Colcicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous and Rheumatic, and Neuralgie affections, it has in numerous instances prived highly beneficial, and in others affected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Borhave. Because of its great success in most of the European States, its introduction in the U.S. was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the scat of life, thrilling and quickening every nerve, raising up the drooping spirit, and in fact, infusing new health and vizor in the system.

CAUTION.

The great popularity of this celebrated Aroma has induced many imitations, which the public should mand against purchasing. Be not persuaded to buy anything until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these finitations.

Consumption. Probably no one remedy has ever been known which the cured so many and such dangerous cases as this. Some bysen no human aid can reach; but even to those the Cherry

Pretoval affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pretoval has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily falling, until Br. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELBY, or Shelbyville.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their pene-trating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disor-dered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others

ertingates of their cures, of the following complaints:— Costiveness, Bilious Complaints, Rheumatism, Dropsy, Jeartburn, Headache arising from a foul stomach, Nau-ea, Indigestion, Morbid Inaction of the Bowels and Pain rising therefrom, Flatulency, Loss of Appetite, all Ulcer-us and Cutaneous Diseases which require an evacuant ous and Cutaneous Diseases which require an evacuant medicine, Scrofila or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout. and other kindred complaints arising from a law state of the body or obstruction of its functions.

DR. J. C. Ayer: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectorat. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBBN KNIGHT, M. D.

THE new Crop of Tea is now arriving, and selling much below the high rates of the past year; the present therefore opens with the pleasing prospect of our again being able to furnish as good an article for the price, as formerly. We also take pleasure in announcing that we have concluded to extend the time on small bills, heretofore sold on two and three months, to three and four months credit.

Thousands of Grocers and general Store-keepers now sell Teas in our Metallic Packages, and the number is constantly increasing, notwithstanding the strong prejudice that once existed against teas put up in this convenient form. This unexampled success is the legitimate result of a business uniformly done, for a long term of years upon just and fair principles, and especially with an eye to that wholesome one of "SMALL PROFITS AND QUICK RETURNS."

Teas being a perishable article, dealers are recommended to order small and frequent bills.

Those who still prefer the old way, are furnished with teas in the original half-chests, at three cents per h. less than in Metallic Packages.

MARYLAND STATE LOTTERIES.

R. FRANCE & Co., Managers.

Caution Notice.

PERSONS living at a distance should be extremely cautions of whom they order Lottery Tickets or Certificates of Packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every inducement is held out to get persons to invest money in them. Capital Prizes of from \$40,000 head their schemes—with tickets at One Dollar. \$100,000 Capital prizes are offered, tickets \$5. All such, in every instance, are frauds: and if money is sent to them for tickets, it is so much thrown away, without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is unusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small cost of tickets, put it down as a certain fraud.

The Sh.by College Lottery of Kentucky, under our management, is the only Lottery in the United States which is legally decided by the Maryland Drawings, are frauds.

Sire: I have used your Pills in my general ast hospital:

Dysentery, Relax, and Worms.

Post Office, Hartland, Liv. Co., Mich., Nov. 16, 1855.
Dr. Aten: Your Pills are the perfection of medicine.
They have done my wife more good than I can tell you.
She had been sick and pining away for mouths. Went
off to be doctored at great expense, but got no better. She
then commenced taking your Pills, which soon cured her,
by expelling large quantities of worms (dead) from her
body. They afterwards cured her and our two children
of bloody dysentery. One of our neighbors had it bad, and
my wife cured him with two doses of your Pills, while
others around us paid from five to twenty dollars doctors'
bills, and lost much time, without being cured entirely
even then. Such a medicine as yours, which is actually
good and honest, will be prized here.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLU-ENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, IN-CIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subite and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formiable and dangerous diseases of the pulmonary organs, it is also the pleasaniest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds white they are curable, nor neg lect them until no human skill can master the inexorable canker that, fastened on the vitals, cats your life away All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assufe them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus affort those who rely on Its the best agent which our skill can furnish for their cure.
